*Securing our energy future*

**Day 1: Wednesday 14 June**

*08:30 – Registration & exhibition open*

**09:00 – 09:30: Welcome remarks and ministerial address**

Chair: **Dan McGrail**, Chief Executive, **RenewableUK**

**Graham Stuart MP**, Minister for Energy and Climate, **UK Government**

**09:30 – 10:30: A1: Global Offshore Wind: Securing our energy future**

- Offshore wind is in a new economic environment, with supply chain pressures and increasing costs caused by the war in Ukraine. What needs to be done to ensure a sustainable global workforce and financially sustainable global supply chain to deliver on offshore wind targets and meet climate goals?
- Offshore wind plays a vital role in reducing energy prices and bringing down energy bills. What can the industry do to help reduce bills for consumers as soon as possible?
- What opportunities does this create for the industry and how can we ensure the outcomes are sustainable and just for everyone?

Format: Panel discussion, Q&A

**Chair: Sony Kapoor**

**Kunal Patel**, SVP, Portfolio Development & Strategy, **Orsted**

**Nils de Baar**, President of Northern & Central Europe, **Vestas**

**Sven Utermöhlen**, CEO Offshore Wind, **RWE Renewables**

**Justine Burg**, VP Business Development, Europe, Renewables, **Equinor**

**Laura Flemming**, CEO, **Hitachi Energy**

*10:30 – 11:00 - Coffee & networking*

**11:00 – 12:00: A2: POV: The Global Offshore Wind Supply Chain**

- In the context of the last 12-18 months, how are things looking from the offshore wind supply chain point of view? What challenges are the industry facing? How can we strengthen the global supply chain?
- What do the IRA and EU Green Deal mean for the global supply chain?
- How can we unlock more investment?
- What role can regional cooperation play in building resilient supply chains?

Format: Panel discussion, Q&A

**Chair: Ajai Ahluwalia**, Head of Supply Chain, **Offshore Wind Industry Council**

**Giles Dickson**, CEO, **WindEurope**

**Paul Cooley**, Director of Offshore, **SSE Renewables**

**Bart De Poorter**, General Manager, **DEME Offshore**

**James Young**, Chief Strategy and Compliance Officer, **JDR Cables**

**Barbara Geelen**, CFO, **Fugro**

*12:00 – 13:00 - Lunch & networking break*

*Securing our energy future*

**15:30 – 16:30: A5: Delivering strategic compensation for offshore wind**

- How is the industry working together to deliver a strategic plan and unlock delivery of offshore wind?
- Overview of the strategic compensation governance structure. Why is it significant and what will it enable?
- Who are the different stakeholders? Why are they involved and what will they achieve through the new governance structure?

Format: Presentations, Q&A

**Chair: Kat Route-Stephens**, Offshore Wind Strategic Compensation Programme Manager, **Offshore Wind Industry Council**

**Katie-Jo Luxton**, Director of Global Conservation, **RSPB**

**Alex Meredith**, Project Director, Berwick Bank Offshore Windfarm, **SSE Renewables**

**Mike Palmer**, Deputy Director for Marine Planning and Policy, **Marine Scotland**

**Audrey Jones**, Team Leader – Offshore Wind Enabling Actions Programme, **Department for Environment, Food and Rural Affairs**

**15:30 – 16:30: B5: Weaving together the UK's onshore & offshore grid to deliver 2030 targets: What are the next steps?**

- Hear from Department of Energy Security & Net Zero, National Grid, National Grid ESO and OFGEM on how they plan to deliver the onshore & offshore network to support the build out of offshore wind
- Updates on the Connections Reform, Holistic Network Design Follow Up Exercise and Offshore Transmission Network Review

Format: Panel discussion, Q&A

Chair: **Nicola Crawford-Percival**, Head of Regulatory Affairs UK & Ireland, **RWE Renewables UK**

**Matt Coyne**, Head of Future Offshore Transmission, **Department for Energy Security and Net Zero**

**Stuart Borland**, Deputy Director, **OFGEM**

**Paul Wakeley**, Head of Strategic Network Development, **National Grid ESO**

**Alice Delahunty**, President of Electricity Transmission, **National Grid**

**ExCeL London**

*Securing our energy future*

**Day 2: Thursday 15 June**

*08:45 – Exhibition opens*

**09:15 – 09:45: In conversation with Ed Miliband**

Join Ed Miliband MP, Labour's Shadow Minister for Energy & Net Zero, as he outlines his vision for the UK's offshore wind sector and how Labour sees the role of British renewables on the global stage. Ed will discuss his party's pledges to the offshore sector; including the role of GB Energy, 180bn for port infrastructure, and how a Labour industrial strategy would approach the build-up of supply chain to meet ambitious 2030 targets. The session will conclude with questions from industry.

Format: In conversation & Q&A

**Chair: Dan McGrail**, Chief Executive, **RenewableUK**

**Ed Miliband**, Shadow Secretary of State of Climate Change and Net Zero

**09:50 – 10:10: Delivering on Scotland's floating wind potential**

Format: Ministerial address & Q&A

**Chair: Ana Musat**, Executive Director of Policy & Engagement, **RenewableUK**

**Gillian Martin MSP**, The Minister for Energy, **Scottish Government**

*10:10 – 10:30 – Coffee & Networking*

**10:30– 11:30: A6: Floating Offshore Wind: The first steps to 2050**

- The challenges, opportunities, and collaboration needed for industrialisation of floating wind
- Floating Wind in the Celtic Sea
- Decarbonising oil & gas assets in Scotland and developing floating wind

Format: Panel discussion, Q&A

**Chair: Jess Hooper**, Director, **RenewableUK Cymru**

**Ralph Torr**, Head of Floating Wind, **ORE Catapult**

**Stine Vethe**, VP of Floating Wind, **Aker Solutions**

**Colin Maciver**, Head of Offshore Wind Development, **Crown Estate Scotland**

**Andrew Reay**, Head of Offshore Wind, **Associated British Ports**

**Gillian Noble**, Managing Director – Offshore, Development & Operations, **ScottishPower Renewables**

**11:45 – 12:45: A7: How can we better future proof our electricity markets?**

- Overview of current electricity market reforms happening around the world
- Creating a market environment where electricity becomes the natural first choice for consumers
- Enabling the benefits of renewable energy generation

Format: Panel discussion, Q&A

**Chair: Ana Musat**, Executive Director for Policy & Engagement, **RenewableUK**

**Ben Backwell**, CEO, **GWEC**

**Alexandra Malone**, Director of Corporate Affairs, **SSE Renewables**

**Rebecca Sedler**, Managing Director, Interconnectors, **National Grid Ventures**

**Johannes Bruun**, Director for Electricity Markets, **Energinet**

**Matthew Knight**, Head of Government Affairs, **Siemens Energy Limited**

12:45 – 13:30 - Lunch & networking

13:30 – 14:00: A8: **Reaching for the Stars**

**Chair: Andrew Jamieson**, Chief Executive, **ORE Catapult**  
**Dr Maggie Aderin-Pocock** MBE

15:30 – 16:30: **A10: The acceleration of offshore wind delivery**

- In 2022, Tim Pick was brought in as the first Offshore Wind Industry Champion, with the task to accelerate deployment of offshore wind. Now the term has ended, what does he think is in store for the future of offshore wind delivery? What key successes were made and where is there more work to be done?
- Hear from other key stakeholders and what they see as the next steps to accelerate delivery.

Format: Panel discussion, Q&A

Chair: **Tim Pick**, Outgoing Offshore Wind Champion

**Sarah Redwood**, Director Renewable Energy Deployment, **Department for Energy Security and Net Zero**

**Richard Sandford**, Co-Chair, **Offshore Wind Industry Council**

**David Rowen**, Chief Specialist, Business Development, **Vestas**

**William Apps**, Head of Marine Development, **The Crown Estate**

**Neil McDermott**, CEO, **LCCC**
