

Floating Offshore Wind 2018 Privacy Policy

1. Scope

All data subjects whose personal data is collected, in line with the requirements of the GDPR, for the delivery of Floating Offshore Wind 2018.

2. Responsibilities

- 2.1 The Data Protection Officer is responsible for ensuring that this notice is made available to data subjects prior to RenewableUK / Scottish Renewables collecting/processing their personal data.
- 2.2 All Employees/Staff of RenewableUK / Scottish Renewables who interact with data subjects are responsible for ensuring that this notice is drawn to the data subject's attention and their consent to the processing of their data is secured.

3. Privacy notice

3.1 Who are we?

RenewableUK is a trade body supporting members working in renewable electricity. Based in the UK, we deliver services which help members to grow their businesses at home and internationally. To support this work, we provide a range of communication and event services which deliver value to members. Some of these services are also available to non-members. Our Data Protection Officer / GDPR Owner and data protection representatives can be contacted directly here:

- dpo@RenewableUK
- 0207 901 3000

Scottish Renewables is a trade body supporting members working in renewable energy. Based in Scotland, we deliver services which help to support and grow the renewables industry in Scotland. To support this work, we provide a range of communications and event services which deliver value to members. Some of these services are also available to non-members. Our Data Protection Officer can be contacted directly here:

- Name: Claire Mack
- Email: unsubscribe@scottishrenewables.com
- Phone: 0141 353 4980

The personal data we would like to collect from you is:

Personal data type	Source
Job Title	Via bookings for events, registration for membership or general enquiries about RenewableUK / Scottish Renewables work.

Floating Offshore Wind 2018 Privacy Policy

Job Type/Level	As above
Sector Type	As above
Employer	As above
Phone	As above
Email	As above
Social Media address (e.g. Twitter or LinkedIn identity)	As above
Relevant PA or contact details of any colleague making this booking on another's behalf	As above
Age	As above
Gender	As above

The personal data we collect will be used for the following purposes:

- Communication on this event to ensure you have accurate information in the lead up to and during the event.
- Follow up communication post-event to secure feedback
- Communication on future events and initiatives relating to renewable electricity.

Our legal basis for processing for the personal data:

- As a trade body for the renewable electricity sector we receive contact data from our members and wider industry supply chain.
- We manage bookings made to attend our events, and will communicate on these and related events
- This data is used to further industry development, including supporting supply chain development and information sharing.

Any legitimate interests pursued by us, or third parties we use, are as follows:

- Provision of information to contacts received in the course of our trade association work from companies operating within our sector
- Provision of information to contacts received in the course of running equivalent sector events.

We do not collect or process special categories of personal data:

3.2 Consent

By consenting to this privacy notice you are giving us permission to process your personal data specifically for the purposes identified.

Consent is required for RenewableUK / Scottish Renewables to process both types of personal data, but it must be explicitly given. Where we are asking you for sensitive personal data we will always tell you why and how the information will be used.

You may withdraw consent at any time either by:

- unsubscribing by clicking on an unsubscribe link in relevant electronic communication

Floating Offshore Wind 2018 Privacy Policy

- if a member, by logging into your details at www.RenewableUK.com and updating your communication preferences
- by emailing dpo@RenewableUK.com with a notification that you withdraw your consent for us to process personal data.

3.3 Disclosure

RenewableUK / Scottish Renewables *will not* pass on your personal data to third parties *without first obtaining your consent*. The following third parties will receive your personal data for the following purpose(s) as part of the processing activities of this event:

Organisation	Safeguards in place to protect your personal data	Retrieve a copy of the safeguards in place here:
Delegates		
Booking Contractor	Organisation will only use delegate data to contact regarding registration details for this event only.	See RenewableUK / Scottish Renewables Privacy Policy
Exhibitors		
Exhibition Freight Contractor	Organisation will only use data of exhibitors to contact with reference to official freight details for this event only.	As above
Speakers		
Event Contractor	Organisation will only use data to manage the event, with details of name, title, organisation passed onto venue and relevant staging contractors.	As above

As co-organisers of the event, Scottish Renewables and RenewableUK will share data relating to all delegates, exhibitors and speakers. No personal information shared between Scottish Renewables and RenewableUK for use outside of communication on this and future floating offshore wind events and initiatives.

3.4 Retention period

RenewableUK / Scottish Renewables will process personal data for three years and will store the personal data for five years.

3.5 Your rights as a data subject

At any point while we are in possession of or processing your personal data, you, the data subject, have the following rights:

Floating Offshore Wind 2018 Privacy Policy

- Right of access – you have the right to request a copy of the information that we hold about you.
- Right of rectification – you have a right to correct data that we hold about you that is inaccurate or incomplete.
- Right to be forgotten – in certain circumstances you can ask for the data we hold about you to be erased from our records.
- Right to restriction of processing – where certain conditions apply to have a right to restrict the processing.
- Right of portability – you have the right to have the data we hold about you transferred to another organisation.
- Right to object – you have the right to object to certain types of processing such as direct marketing.
- Right to object to automated processing, including profiling – you also have the right to be subject to the legal effects of automated processing or profiling.
- Right to judicial review: in the event that RenewableUK / Scottish Renewables refuses your request under rights of access, we will provide you with a reason as to why. You have the right to complain as outlined in clause 3.6 below.

All of the above requests will be forwarded on should there be a third party involved (as stated in 3.3 above) in the processing of your personal data. To seek information about how your data is processed please use RenewableUK's [Subject Access Request \(SAR\) Form](#).

3.6 Complaints

In the event that you wish to make a complaint about how your personal data is being processed by RenewableUK / Scottish Renewables (or third parties as described in 3.3 above), or how your complaint has been handled, you have the right to lodge a complaint directly with the supervisory authority and RenewableUK's Data Protection Officer.

The details for each of these contacts are:
